Re: Proposed Outcross Project for Leonberger Breed

I am writing to confirm that the Committee of the Leonberger Club of Great Britain has been appraised of the above project, led in the UK by Mrs Sharon Springel and Ms Noora Ahokas, and is fully in support of it's aims and objectives. Any action which improves the health of our breed is vital to the continuation of the breeding programme in the UK and the worldwide leonberger community.

The outline project and its aims and objectives was presented at our AGM in November 2021 and this was unanimously supported by those members present.

If you require any further information, please do not hesitate to contact me.

Yours sincerely

Madeleine Jephcott
